TO LITTLE BAY - SMALL BUSINESSMAN

Editorial - D.C.J.

This space has been occupied, ever since the first issues of the Presto, by Little Bay Market. Mr. Arlindo Dias and his son, Arlindo "Sonny" Dias, Jr., have sent 20 years of messages to Presto readers in Mattapoisett, Marion and Rochester. Many have been commercial messages inviting customers to Little Bay. Many others have been in recognition of local achievements, support of local causes deserving of recognition and countless messages for school activities - band, sports, and a wide range of public service publicity, all courtesy of Little Bay. Mr. Dias, Sr. is retiring and Little Bay Market has been sold. We think it fitting that we extend to him the thanks that he so richly earned through the years in support of every deserving community effort and cause. We would like to wish him a long and happy retirement. As editor of the Presto I have had the privilege of knowing and serving hundreds of area small businessmen and count the people at Little Bay as one of our most valued friends and patrons. We consider the independent businessman as the backbone of the community who lives among his customers and seeks to serve them as friends of mutual confidence. In our salute to the Dias men, father and son, we salute all of the small businessmen in our pages who work unlimited hours, furnish the finest of service and products, and maintain the most cordial relationship with their customers. We know all of Little Bay's customers as well as the community as a whole will join us in thanks and good wishes to all of the people of Little Bay Market.

ASK SIGN REMOVAL

The Board of Selectmen has written to Mr. Peter R. Bronson, acting executive director of the Outdoor Advertising Division, that the Harbor Beach sign serves a necessary and very important function for traffic safety. The Board strongly urged that the Harbor Beach sign be allowed to remain but on the request of the Outdoor Advertising Division recommend that the following signs be eliminated because they conflict with Mattapoisett zoning regulations: 4 Hathaway advertising billboards on the north side of Route 6 and one Harbor Beach Restaurant sign on the south side of Route 6. The Selectmen state that, although licensed by the Outdoor Advertising Division, all of these signs are in violation of Mattapoisett's zoning by-laws.

FIRE STATION HEATING PLANT

One bid was received on the conversion of the existing steam heating system at Mattapoisett's Fire Station to a 2-zone forced hot water system. Edwin L. Perkins Company, Inc. bid $2,665.00. The bid was taken under advisement.

BOATLINE ACTION

On September 26th, Senator John F. Aylmer wrote to the Board of Selectmen that he had agreed to let an amendment be attached to House Bill 7266 on the extension of control of ferries by the Woods Hole, Martha's Vineyard and Nantucket Steamship Authority to specifically permit operation of the New Bedford ferry. He opposed an earlier amendment which gave a blanket exemption to all Cape ports. Senator Aylmer now expects that the bill will be acceptable to all parties.

Senator George Mendonca wrote September 28th on the same subject. He said that he had offered the amendment to grant the New Bedford ferry a "grandfather clause" exemption. The amendment has been accepted and action is now pending in the State House of Representatives. He wrote, also, that the

COFFEE HOUR PLANNED BY FISH

At a meeting of the FISH officers and members, the resignation of Mrs. Nora DeCoffe as chairman was accepted with regret. She will be succeeded by Mrs. Norma Holt and Mrs. Lelah Greenaway as co-chairmen.

The members attending the meeting wish to make known to all telephone volunteers that they should report the calls received on their duty day to the chairman of the month by telephone rather than by mail.

Also discussed was the fact that FISH is looking for more transportation volunteers. There is a great need in the community by individuals needing a ride to keep a doctor or clinic appointment. It usually only takes a small part of one's day to drop someone off or pick them up while one is out doing errands.

A new and revised volunteer list is in the process of being prepared for next month. If anyone feels he or she has any time at

Bulldogs Win Again

It was Old Rochester all the way as the Bulldogs defeated the Lancers of Norton 34 to 0 in a league game on Saturday at the Old Rochester field. The first score was set up in the middle of the first period when the Bulldogs recovered a Norton fumble on the Norton 33. They moved the ball to the 17 and Warren Mott ran into the end zone for 6 points. The 2-point conversion try, a pass, was no good.

Old Rochester struck again for 6 in the second period when a Joe Francoeur pass to Charles Dennis covered 55 yards and was good for 6 points. The 2-point conversion try failed. Old Rochester threatened again late in the second period when Bob Henderson intercepted a pass from Norton quarterback Vernon McKillop and returned it into Norton territory. However, penalties pushed the Bulldogs back into their own territory and they eventually were forced to punt. The half ended with the score 12 to 0.

Norton received the kick-off at the start of the second half but on the third play fumbled the ball which was recovered by Chris Gingrass on the Norton 23. Mott took it to the

Norton received the ball on the ensuing kick-off; unable to move, they were forced to punt from deep in their own territory. A bad pass from center went over the kicker's head and into the end zone for a 2-point safety. Norton then kicked to Old Rochester and Dennis carried to the Norton 39. The Bulldogs moved the ball to the 28 but were stopped and Norton took over. In the last play of the third quarter Dennis intercepted a Norton pass and returned it to his own 46. In 5 plays, Mott and Peter Nelson alternating carrying moved the ball to the Norton 1. Dave Crowley then plunged over for 6 points. Mott rushed for the 2-point conversion. The score at this point was 28 to 0.

Old Rochester's last 6 points came on the last play of the game when Nelson intercepted a pass and ran 36 yards into the end zone. The 2-point conversion try failed and the final score was 34 to 0.

This Saturday the Bulldogs travel to Wareham to take on the Vikings in the annual Cranberry Bowl game - a game which always arouses great interest in this area.

An open meeting was held last Thursday night for the installation of the 1974 officers of Mattapoisett Grange, with Past Master Dennis Sylvia presiding. Past Master of Smith Mills Grange and Old Colony South Pomona Mildred Vaughan Allen and her suite conducted the ceremony. She was assisted by Hilda Rogers of New Bedford as marshall, Ruth Miller of New Bedford and Marjorie Ringwood of Dartmouth as implement and regalia bearers, Alice Manchester of Westport as chaplain, Diane Spirlet of South Middleboro as pianist and Mae Monette of Fairhaven as soloist.

Officers installed were: Mildred LeBaron, master; Olive Gifford, overseer; Phillip Barrows, assistant steward; Lauren Horne, lady assistant steward; Gladys Pearson, chaplain; Marybeth Breton, treasurer; Susan LaFleur, secretary; Ruby Barber, Flora; Edith Johansen, Pomona; Lee Root, executive committee; and Marjorie Root, pianist. Two members of the executive committee, steward and gatekeeper will be installed at a later date.

The assistant stewards escorted Mrs. Allen and her suite to the altar where Mrs. LeBaron presented gifts and words of appreciation from the officers and members of Mattapoisett Grange. This was the 8th time Mrs. LeBaron had been installed as master of the Grange and she was pleased to have Mrs. Allen who is a native of Mattapoisett.

An interesting year's program has been compiled by the officers of the Grange starting the new year with a Halloween party Thursday, October 18th, with Lauren Horne, Marybeth Breton and Phillip Barrows in charge.

The first project for the year is collecting Campbell soup labels for the Leroy Wood School in Fairhaven. Mattapoisett Grange members urge their friends and neighbors to save them and give them to Miss Marybeth Breton of West Hill, Mattapoisett, telephone 3383, who is in charge of this project; or they may be given to Mrs. LeBaron.

Letter to the Editor

Many people are still under the impression that I am, or was, the full time Assistant Dog Officer. Fortunately, for me, that was a misunderstanding, which unfortunately (or so I thought) was not corrected in the press. However, this proved to be a "blessing in disguise", for, after having heard from so many people, who have such varied misconceptions of the Town's Restraining Law, and its subsequent enforcement, there seems to be

Why wait until Spring ?

Fall is the naturally right time to improve your lawn!

PROMOTE DEEP WINTER ROOT GROWTH

TURF BUILDER is the fertilizer we highly recommend for Fall fertilizing. It releases its nutrients only as fast as the grass can use them. So there's no spindly surge growth to cause extra mowing. Instead, TURF BUILDER produces a thicker, greener, sturdier lawn—this Fall and next Spring too.

a definite need for clarification.

The Board of Selectmen, acting under the provisions of Massachusetts General Laws Chapter 140 Section 167, unanimously adopted the following order on May 27, 1969. ORDERED: that all dogs shall be restrained from running at large within the limits of the Town of Mattapoisett. Dogs who are under the immediate control of their owners and/or who are within the bounds of their owner's property are not affected by this restriction. (If any of you have obtained the booklet of Mattapoisett By-Laws, this can be found on page 60.)

Under the law if the owner claims a dog found at large and pays the fee of $5 + it shall be returned to the owner. The fee of five dollars shall be paid over to the city or town and the remaining moneys shall be retained by such officer or constable as his fee. (It was this very section of the law, with all the "bad dog" overtures, that motivated me to look elsewhere in the laws for a section which would allow the Town to place the blame squarely on the DOG OWNER and not the dog. (SECTION 173). After paying for almost one entire page of printing, we learned at Town Meeting that one portion of a sentence was supposedly illegal. Obviously, I still challenge the illegality, as no legal interpretation was ever forthcoming.)

Not entirely surprising were cat complaints. There are no laws protecting you from cats, nor cats from you. The licensing of cats is a very controversial subject to say the least, however, this is being talked up throughout the country. In view of the staggering pet population statistics, this would seem inevitable, and could be accomplished by tatooing. This method might well be used for dogs also, as col-

lars and tags are often lost or removed. Of tremendous importance is the need for an increase in license fees. (We've had only one in a hundred years; that being only by one dollar.) It is not surprising then that we have a nationwide surplus, as well as a statewide. Therefore, if introduced, I shall support cat licensing and an increase to TWENTY-FIVE DOLLARS for unspayed-unaltered dogs and cats. The fee for spayed-altered I would support at TWO DOLLARS, and not as the law now requires: TWO for an unaltered male, and THREE for a spayed female. Additionally, we must insist that our kennels (breeders) also pay a substantial increase! Write to your legislators, federal and state, and express your views on these matters.

The staggering statistics are, that twenty-three million dogs and twenty-seven million cats are allowed to breed some forty-five million puppies and kittens, FOR WHICH THERE ARE NO PERMANENT HOMES! Many of these young animals, unwanted by their owners, are passed on to whomever will take them. Eventually, many will be abandoned to a lingering death of star-

vation, disease, and exposure. Yet, as the agony of one homeless animal is stilled by death, another unwanted dog or cat is abandoned to replace it. The plight of the homeless animal is a symbol of human irresponsibility; which I feel has been encouraged by lack of laws in some instances and inadequate laws and license fees.
